## GRADING SYSTEM

In the junior section, subjects such as Moral Education, Sanskrit, German, Physical Education, Art and Personality Development are graded rather than given marks on the basis of tests. This grading gives teachers an opportunity to assess the child's development regularly twice a year. Teachers observe the students' behaviour throughout the year and then grade them. This helps students to concentrate more on the core subjects for which they are marked.

This step has reduced the stress of examinations and has also reduced the number of examination days.

- All existing parents are required to pay fee for their wards for July 2024 in advance in March or April to secure the child's seat for the next academic session of 2024-2025. If however, the fee for July 2024 is not paid in advance in March or April 2024, it can be deposited latest by 10th (or if 10th is a holiday, then by 11th) July 2024, to ensure that the child will study in CMS in session 2024-2025.  
But if the fee is not deposited even by 10th (or if the 10th is a Sunday or public holiday, then by the 11th) July 2024, the child's name will be struck off from the rolls on the evening of 10th July so that the seat may be given to a new aspirant for admission. However, if there is any vacancy left, the child can be re-admitted on payment of **re-admission fee of ₹ 800/-**.
- From the 11<sup>th</sup> (or if 10th is a holiday, then from 12th) till the end of the month, fee will be accepted only by Bank Draft. **If fee is not paid by last date of the month, the child's name will be struck off from the register and child will not be allowed to sit in class.** The child will be re-admitted only on payment of ₹ 800/- as re-admission fee and the payment of previous month's unpaid fee by Bank Draft only. - No fee will be accepted in cash under any circumstances.** Parents must have a Bank Account in Lucknow.
- No outstation cheque will be accepted. The child's name, Class, Section, CMS Branch and Mobile No. are to be written on the reverse of Cheque/Draft. No cheque or draft will be accepted on the last working day of the month. Late payment fine and re-admission charges will not be excused. For Class X and XII fee from December onwards will be accepted only by Bank Draft.**
- All school fees and other dues must be cleared within the prescribed period, failing which students will not be allowed to attend classes and may be sent back home.
  - No student will be allowed to appear for the mid-term assessments and half-yearly or annual examinations unless all the school dues are cleared well before the commencement of the examination.
- Please note, that in case a cheque bounces, the bank will charge a fine for the 'bounced cheque' from the school. Therefore an amount of ₹ 400/- will be charged by the school. In case fee is paid later than 10th of the month and the cheque bounces, then Late Payment Fine of ₹ 400/- will be taken as well as cheque bounce fine of ₹ 400/- i.e ₹ 800/- shall be payable. In case cheque bounce fee has been paid after 30th of the month, the parent will have to pay ₹ 800/- as readmission fee & ₹ 400/- as cheque bounce charge i.e. a total of ₹ 1,200/- has to be paid by the Parent along with the monthly fees.
- A student who attends school even for one day in July and is later withdrawn during mid-session for any reason, has to pay full fees for the First Term i.e. upto December, regardless of whether he/she takes the T.C. or not (Full fees inclusive of Composite fee).**
- A student withdrawn from the institution after the month of December will have to pay the full fees for the Second Term i.e. upto 30th June whether he/she takes T.C. or not.**
- If a child is admitted mid-session, between 1st August and 31st December, fee will be payable from 1st July.

In exceptional cases, a guardian may discontinue it by giving one month's notice or one month's transport fee. Transport fee will not be refunded but it can be adjusted in other fee that's unpaid.
  - In case the school Bus, Van or Rickshaw does not reach on time due to mechanical breakdown or due to the illness of the driver/puller, guardians are requested to make their own alternative arrangements.
- The school tries it's best to provide satisfactory transport service.
- One way Bus, Van or Rickshaw service is not allowed. However if a child wants to avail one way service, he/she will have to pay full (both ways) applicable transportation fee.
  - In case of road construction or long term diversions the actual distance travelled by the Bus/Van/Rickshaw will be charged.
